

Historic Area Preservation Scoring Criteria

(1) Historic Significance

Establishes what kind of resource is to be protected

- ▶ Battlefield, Cultural Landscape, Agricultural Complex, Archaeological Site, etc.

Will the project protect or preserve a resource that:

- (A) Is listed (or has been determined eligible) for listing in the Virginia Landmarks Register (VLR)?

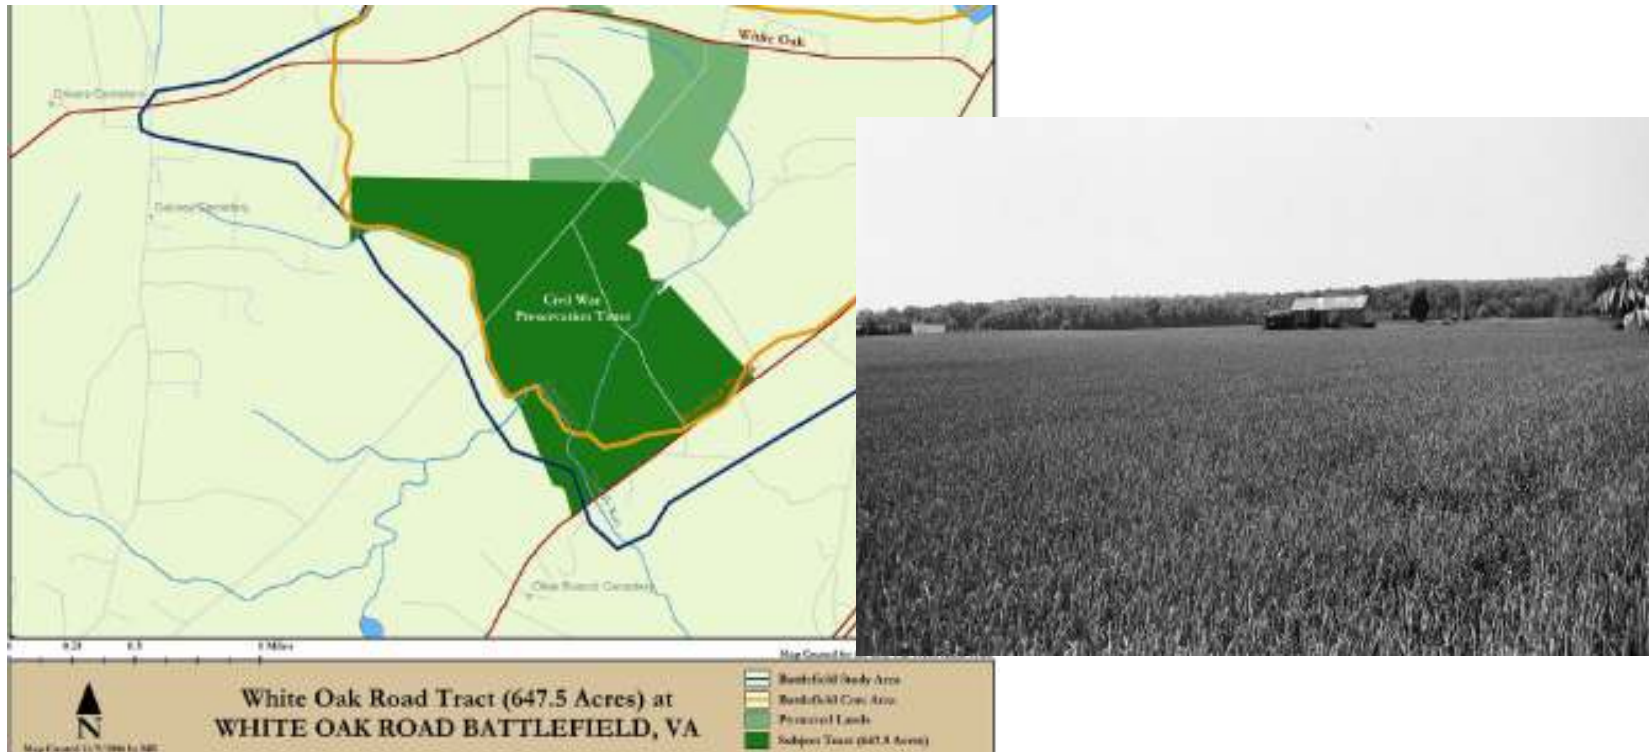

Individually Listed Resources (25 points)

Contributing Resources within Historic District
(15 points)

(B) Contributes to the integrity, enhances the setting, or provides a buffer for a property listed on the VLR?

(C) Is listed as a Battlefield by the Civil War Sites Advisory Commission Report of 1993?
(5-35 points)

(2) Threat

Is time of the essence?

Threat of demolition, or rare opportunity to protect property?

(3) Demonstrated financial and organizational capacity to manage property and ensure appropriate stewardship of historic resources:

- ▶ Property Managed according to Historic Structures Report (15 points)
- ▶ Property managed according to general resource management plan (10 points)
 - ▶ Plans to develop management plan (5 points)

Note: HSR and any plans for property should be submitted with application; scope of work should be consistent with Secretary of the Interior's Standards for Treatment of Historic Properties

Broad Benefits and Public Support

- (4) Will the project complement or enhance other cultural or historic resources or preservation activities; -OR- Does the project represent a unique cultural resource opportunity in the geographic area? (5 points possible)
- (5) Will protection or preservation of the resource also further education, research, tourism, or community development? (5 points possible)
- (6) Document public support for the project (include copies of letters of support). (5 points possible)
